This directory — produced by the City of Knoxville’s Office of Neighborhoods — provides public contact information for each registered neighborhood organization in the city.

Attention Businesses & Charitable Institutions
Out of respect for the neighborhood leaders who have agreed to place their contact information in this directory, the City of Knoxville asks that this information not be used for commercial purposes, or to solicit monetary donations.

This directory will help to ensure that neighborhood groups are easily accessible to potential new members, city departments, other neighborhoods, developers, Metropolitan Planning Commission, and others who might want to contact the groups for any number of reasons, many of which might be of great benefit to the groups and the neighborhoods they represent.

This directory is updated periodically. Check the Office of Neighborhoods Website for the latest version: www.cityofknoxville.org/neighborhoods.

In this directory you will find:
1) Listings of Neighborhood groups -- including homeowner organizations, tenant associations, condo organizations, neighborhood associations, and crime watch groups that represent territory within city limits.
2) Non-ProFit Resources -- including umbrella groups of neighborhood associations, websites and group e-mail lists that focus on neighborhood interests, as well as business and civic associations that include neighborhood groups as members, or that address neighborhood projects, issues or concerns.

For updates or questions concerning this directory, please contact David Massey at 215-3232 or dmassey@cityofknoxville.org.

NEIGHBORHOOD DIRECTORY

Office of Neighborhoods

The City of Knoxville’s Office of Neighborhoods was established in 2007 to:

1) Improve communication and foster accountability between and among neighborhoods and city departments.
2) Ensure timely and well-coordinated inter-departmental responses to neighborhood needs.
3) Collaborate with neighborhoods to identify, understand and address issues of shared concern.
4) Help neighborhoods engage in citizen-led improvement initiatives based on assets and needs identified by the residents in each neighborhood.
5) Provide neighborhood groups with leadership training and other organizing tools to be more effective builders of livable communities.

Among other activities and projects, the Office of Neighborhoods:

1) Connects neighborhood groups with city resources.
2) Staffs the Neighborhood Advisory Council, a group of neighborhood leaders and advocates appointed by the Mayor to advise the city administration on issues of concern to neighborhoods.
3) Produces --- with considerable help from neighborhood leaders --- the Neighborhood Awards & Networking Luncheon each year and The Neighborhood Conference every other year.
4) Publishes the Guest Speakers Guide as well as a weekly newsletter, Neighborhood Advisory, for neighborhood leaders and others interested in neighborhood issues.
5) Offers the “Building Strong Neighborhood Organizations” leadership training program for neighborhood leaders.
6) Maintains this Directory.

Register Your Neighborhood Group

The City of Knoxville wants to be sure that your neighborhood organization is included in this directory. (This applies to tenant groups, homeowner organizations, condo associations, and neighborhood watch groups, as well as neighborhood associations.)

To be listed, a neighborhood group must 1) represent or seek to represent city residents within a specified geographic boundary; 2) reach out to all residents within the specified boundary to advertise the group’s meetings; and 3) conduct periodic, democratic election of leaders. In other words, the group must be resident-controlled and resident-led.

The group must register with the Office of Neighborhoods.

To register, visit our Website — www.cityofknoxville.org/neighborhoods. Go to the registration page to follow instructions and download the PDF form, fill it out on your computer, and e-mail it to dmassey@cityofknoxville.org. Or, if you prefer, we can provide you with a hardcopy version. Please call 215-3232 to receive one.

We look forward to working with you and your organization to make Knoxville a great city by transforming all of our neighborhoods into safe, clean and livable communities.
