

Knoxville Neighborhood D I R E C T O R Y

Updated November 18, 2009

This directory — produced by the City of Knoxville's Office of Neighborhoods — provides public contact information for each registered neighborhood organization in the city.

Out of respect for the neighborhood leaders who have agreed to place their contact information in this directory, the City of Knoxville asks that this information not be used for commercial purposes, or to solicit monetary donations.

This directory will help to ensure that neighborhood groups are easily accessible to potential new members, city departments, other neighborhoods, developers, Metropolitan Planning Commission, and others who might want to contact the groups for any number of reasons, many of which might be of great benefit to the groups and the neighborhoods they represent.

This directory is updated periodically. Check the Office of Neighborhoods Website for the latest version: www.cityofknoxville.org/neighborhoods.

In this directory you will find:

- 1) Neighborhood Association Listings -- including homeowner organizations, tenant associations, condo organizations, neighborhood organizations, and crime watch groups that represent territory within city limits.
- 2) Non-Profit Resources -- including umbrella groups of neighborhood associations, websites and group e-mail lists that focus on neighborhood interests, as well as business and civic associations that include neighborhood groups as members, or that address neighborhood projects, issues or concerns.

For updates or questions concerning this directory, please contact David Massey at 215-3232 or dmassey@cityofknoxville.org.

NEIGHBORHOOD DIRECTORY

Office of Neighborhoods

Housed within the Community Development Department, the City of Knoxville's Office of Neighborhoods was established in 2007 to:

- 1) Improve communication and foster accountability between and among neighborhoods and city departments.
- 2) Ensure timely and well-coordinated inter-departmental responses to neighborhood needs.
- 3) Collaborate with neighborhoods to identify, understand and address issues of shared concern.
- 4) Help neighborhoods engage in citizen-led improvement initiatives based on assets and needs identified by the residents in each neighborhood.
- 5) Provide neighborhood groups with leadership training and other organizing tools to be more effective builders of livable communities.

In addition to connecting neighborhoods with city resources, the Office of Neighborhoods:

- 1) Staffs the Neighborhood Advisory Council, a group of neighborhood leaders and advocates appointed by the Mayor to advise the city administration on issues of concern to neighborhoods.
- 2) Works with the East Tennessee Foundation on the Neighborhood Small Grants Program.
- 3) Produces a weekly newsletter, *Neighborhood Advisory*, for neighborhood leaders and others interested in neighborhood issues.
- 4) Provides various Web-based resources, including a map of city neighborhoods and a Web page for each neighborhood group in Knoxville.
- 5) Maintains this Directory.

Contact the Office of Neighborhoods:

Room 528, City County Building
400 Main St.

Register Your Neighborhood Group

The City of Knoxville wants to be sure that your neighborhood organization is included in this directory. (This applies to tenant groups, homeowner organizations, condo associations, and neighborhood watch groups, as well as neighborhood associations.)

To be listed, a neighborhood group must 1) represent or seek to represent city residents within a specified geographic boundary; 2) reach out to all residents within the specified boundary to advertise the group's meetings; and 3) conduct periodic, democratic election of leaders. The group must register with the Office of Neighborhoods.

We also list contact information of individuals who have volunteered to serve as the point person in efforts to restart an inactive neighborhood group or launch a new group.

By becoming a registered neighborhood organization, you can also:

- ❖ Receive our weekly *Neighborhood Advisory* newsletter via e-mail. (Postal delivery is available on a limited basis to persons without e-mail.)
- ❖ Provide content for your own [neighborhood web page](#) on the City's website.
- ❖ Make sure your neighborhood is included in a city-wide neighborhoods map via Google Maps.
- ❖ Receive notices from the Office of Neighborhoods about the neighborhoods small grants program, zoning issues and other common concerns.

To register, visit our Website — www.cityofknoxville.org/neighborhoods. Go to the registration page to follow instructions and download the PDF form, fill it out on your computer, and e-mail it to dmassey@cityofknoxville.org Or, if you prefer, we can provide you with a hardcopy version. Please call 215-3232 to receive one.

We look forward to working with you and your organization to make Knoxville a great city by transforming all of our neighborhoods into safe, clean and livable communities.
