\*\* = Also known as the Tree Protection Ordinance.

\*\*\* = Also known as the Stormwater and Street Ordinance.

Contact the Stormwater Engineering Section if there is reason to believe that one of these four ordinances has been changed or is not otherwise current.

The municipal charter and codes are also maintained online by Municode which can be accessed through the pulldown menus on most city webpages. Select "City Ordinances & Charter" from the pulldown menu. The Municode posting is updated at a pace that is generally a few months or more behind the current actions of the Knoxville City Council.
