OVERVIEW

The Office of Special Events is responsible for coordinating city-sponsored events such as Christmas in the City, Festival on the Fourth and employee appreciation programs and activities. This office also works with community organizations to coordinate the city's participation in or involvement with celebrations such as Mardi Growl, Rossini Italian Street Fair, Dogwood Arts Festival, Hola Hispanic Heritage Festival, Kuumba Festival, Boomsday, Veterans Day Parade and many more.

The Office of Special Events works with the Communications Department to promote and garner media coverage for Knoxville's events and activities regionally, statewide, nationally and internationally, working with all media. It also plans and coordinates special events on behalf of the Mayor of Knoxville. This office is responsible for scheduling activities on Market Square, Krutch Park Extension and public properties throughout the City. The office is responsible for maintaining a calendar listing of various events in Knoxville, available on the city’s website: www.cityofknoxville.org

Special Events Community Meetings are held the fourth Thursday of each month, excluding November and December, at 9:00 a.m. in the Knoxville Civic Coliseum Ballroom. Representatives from various city departments will be in attendance to help facilitate your event.

This guide shall not apply to events sponsored and managed by the City of Knoxville. Please note that all information is subject to change. Contact the Office of Special Events for additional information: (865) 215-4248.

AUTHORITY

This Guide has been prepared under the authority granted to the Office of Special Events, directly and as designee of the Mayor of the City of Knoxville. Authority for administration and rulemaking derives from, among other sources, §§ 301, 303 and 305 of the Charter of the City of Knoxville and §§ 2-3 and 16-318 of the Knoxville City Code.

GENERAL INFORMATION

The information presented in this section is only a brief summary - please see the more detailed rules later in this Guide for more specific information.

1. **Special Events Community Meetings** – All your questions about events can be answered at the monthly Special Events Community Meeting. This meeting takes place on the fourth Thursday of every month, excluding November and December, at 9:00 a.m. We meet at the Knoxville Civic Coliseum, 2nd floor Ballroom, located at 500 Howard Baker, Jr. Ave. in downtown Knoxville; unless otherwise noted. Free parking is available at the Knoxville Civic Coliseum parking garage. Representatives from various city departments will be in attendance to help facilitate your event.

2. **Special Events Form** – A Special Events Form is required to ensure all your needs are met in regards to city services, therefore the completed form is requested 45 days prior to the event date. The Special Events Form is required to place your event on the Special Events calendar, viewable on the websites of the City of Knoxville, [www.cityofknoxville.org](http://www.cityofknoxville.org) and Visit Knoxville, [www.knoxville.org](http://www.knoxville.org). **Insurance is required** for any event on City of Knoxville property.

3. **Alcohol Sales** – Events that serve or sell alcohol and are held on city property require permits, insurance and uniformed Knoxville Police officers, all of which must be paid by the organizing event sponsor. The permitting process takes approximately 2 months to complete. There are potentially two permits required, a beer permit and permit for wine and liquor. You must have a Knoxville Beer Permit before applying for the alcohol permit. The Office of Special Events will provide a letter stating you have the beer permit and the City of Knoxville has given you permission to serve or sell alcohol. The beer permit contact is the City of Knoxville Tax Office at (865) 215-2083. The contact for the wine and liquor permit is the Tennessee Alcoholic Beverage Commission at (865) 594-6342.

4. **Temporary Traffic Control Permit** – Street closure requests must be approved by a Temporary Traffic Control Permit issued by the City of Knoxville Engineering Department (865-215-6109), which may charge an additional fee for preparation of a traffic control plan. The Office of Special Events must be given notice of the application for a Temporary Traffic Control Permit. Every city road closure requires a uniformed Knoxville Police Officer on site. The off-duty rate for a police officer is $25.00 per hour with a 4-hour minimum.

5. **Street Vendor Permit** – Vendors operating on public property must be associated with an authorized special event and approved by the event coordinator, except for sidewalk vending associated with University of Tennessee football games. Vendors operating on private property must have permission of the property owner and the property must be zoned to allow such commercial activity. Vendors must have a valid Business License from the State of Tennessee or a Transient Vendors License purchased from the City of Knoxville Tax Office, (865) 215-2083.

6. **Banner Request Form** – There are only two types of banners permitted: pole or stage banner. Refer to Banner Request Form for specific locations. A banner cannot hang over a city street, with the exception of Central Avenue in the Old City and Fountain City Park, where special supports have been installed. Banner space must be reserved and approved by the Office of Special Events. All banners must be to the City departments 2 weeks before installation date. All final banner designs must be approved by the Office of Special Events, all banners must be hung by the City of Knoxville.

7. **Animal Exhibitions** – No person shall show or exhibit any animal in any of the streets of the city or at any location within the limits of the city unless an exhibition permit has been obtained from the Animal Control Board. Any approved show, event or exhibition must have a veterinarian immediately available during performances which are open to the public. The fee for an exhibition...
permit shall be twenty-five dollars ($25.00). To obtain an Exhibition Permit contact Karen Pappas at (865) 215-8640.

8. **Tents** – Tents and other temporary shelters or structures within the perimeter of an event formally approved by the Office of Special Events must be specifically approved by the Office of Special Events. Depending on size, tents and other portable shelters or structures may require approval by the Knoxville Fire Department. Tents cannot be staked into pavement or sidewalks. All authorized tents must be freestanding and anchored with weighted supports, and may not be attached to any fixtures or structures. Authorized tents must be erected and removed on the day of your event.

**ACCESSIBILITY TO SPECIAL EVENTS**

Questions to ask to verify that your event is accessible to people with disabilities:

- Is accessible parking available?
- Is van-accessible parking available?
- Is there a relief (grassy) area for service animals?
- Are there physical obstacles that would hinder the visibility of a person with a disability? (i.e. stairs, low-hanging/protruding items, escalators, etc.)
- Is there a clear path of travel throughout the event space?
- Have arrangements been made to have requested interpreters for the deaf?
- Are written materials available in braille and large print?
- Who is the contact person for accommodations?
- Are restrooms accessible?
- Where is the Information/Security station located?

See page 13 for additional information.

**BEER PERMITS**

Beer permit applications are available from the Business Tax Section of the city’s Revenue Office, or online at the city’s website, www.cityofknoxville.org under the Department of Finance and Accountability. The beer permit applicant must appear before the Beer Board for consideration of their request for a beer permit. Members of the City Council sit as the Beer Board, which meets before the second City Council meeting of each month.

The application process can be lengthy. For special events that are usually time-limited, and may be held in a single day, it is very important to apply as early as possible. An applicant that files too late to be placed on an agenda prior to their event, risks not being able to get the requested beer permit. **NO ONE may distribute without charge, purchase, store or offer for sale beer without a valid permit approved by the Beer Board.** Applications for single, one-day events require a $50.00 application fee.

Organizations that hold more than one event during the year may wish to apply for an annual permit. The basic application fee will be $250.00, but could be less expensive than a $50.00 fee for each single event. All application fees are non-refundable.

Applications for a specific beer board meeting must be received by the city’s Finance Department by the first of that month due to the many requirements that must be met before the application is complete and ready for the Beer Board’s consideration. Contact the city’s Business Tax Section at (865) 215-2179 for information and assistance with the application process.
**KNOXVILLE POLICE DEPARTMENT**

The Central Business Improvement District (CBID) is a special district in the core of downtown Knoxville including the Old City, Volunteer Landing, World's Fair Park, Market Square, Krutch Park and Krutch Park Extension. Lieutenant Jeff Pappas supervises the city police services in this area. KPD offers planning advice on traffic, parking and safety. Please coordinate any special events with the Knoxville Police Department at the monthly Special Events Community Meetings.

Off duty KPD officers may be required to assist with your event. The off duty pay rate for a police officer is $25.00 per hour with a 4 hour minimum. Alcohol sales require an officer at each point where alcohol is being served. A police supervisor will need to be present at the rate of $30.00 per hour on events requiring four or more officers, multiple alcohol service points, street closures and re-routing of traffic over several blocks, or an event expecting a large attendance.

**Lieutenant Jeff Pappas**  
Office: 865-215-7576  
jpappas@cityofknoxville.org

**KNOXVILLE FIRE DEPARTMENT**

The Knoxville Fire Department offers EMS (Emergency Medical Services), at all events at your request. On site EMS service is available at a cost of $30.00 per person per hour with a minimum of 2 EMT/Paramedics onsite and a minimum of 4 hours. This service is required if there will be alcohol served at your event, if you will be having a run or an event expecting large crowds. EMS service is recommended for all other events, and it is advised that you check with your insurance company to determine whether they will honor your policy if you do not provide EMS service.

If your event is expecting a small crowd, Fire Department stations are located throughout the city and will respond to your location in the event of a life threatening emergency. The closest station could potentially be involved in another emergency, and therefore a responder from a longer distance may be dispatched.

GENERAL PLANNING FOR EVENT RECYCLING

Event organizers should try to promote the event as a green event and as being low impact to the environment. Recycling information should be in all print media such as brochures and flyers for the event.

Assign a volunteer or create a committee recycling coordinator. This individual should have some idea of the solid waste and recycling policies in the City. Once a point person is selected, have that individual select a group of volunteers to work together to maximize the recovery of material and keep contamination of recyclables to a minimum. If you have enough volunteers, separate them into crews with specific functions such as signage, moving the material to a centralized location, working with vendors, equipment or education. All are crucial to the success of waste reduction. This person should also contact PBA, the City or County Solid Waste Offices to inquire about on-site recycling facilities already in place.

Make contact with City and or Knox County Solid Waste Offices to see if they are able to offer any assistance with your recycling efforts. The City has a recycling trailer available for use as well as clear stream recycling bins, signage, and other waste reduction information and can do a presentation to your organization on coordinating green events. Ijams Nature Center also provides educational information for events and may be able to assist based on AmeriCorps availability.

Contact the company that will provide garbage and recycling services for your event. The logistics of recycling pick-ups are crucial.

Be sure to convey all information to all volunteers.

Vendors must be “on board” with your recycling plans. Suggest that vendors eliminate Styrofoam and other single use items.

Questions to ask yourself:

- What types of materials will be collected, plastic bottles and or cups, aluminum cans, paper, cardboard etc.
- Contact information of recycler to be used.
- The number of volunteers to utilized if any.
- Determine the number of attendees at your event.
- Determine the number and type of recycling containers to be used, and decide if attended / staffed or not.
- Do you have support from local environmental groups, non profit, City or County Departments, others.
- Decide examples of advertising such as web pages, news releases, TV and radio commercials, and newspaper ads do be used for recycling efforts
- What is the cost of greening your event considering equipment, disposal, partners and sponsors contributions?
- What is the number of staff members needed on the committee coordinating the green portion of the event?
- Did you provide instructions to food vendors to bring bulk food products and compostable materials etc? Provide them a copy of the instructions. Will they sign a commitment form?
Did you provide instructions to exhibitors to reduce the amount of non recyclable materials they distribute or consider other green techniques? Provide them a copy of the recycling instructions. Will they sign a commitment form?

Will you compost any material, if so what, where and, how much.

Develop examples of any signs, banners, educational materials used to promote the green portion of your event.

Are you using any surveys, pledge cards, and displays?

What other types of equipment was used, on site small scale, collection boxes, dumpster, clear stream bags, trailer, etc.

Will you know the total number of pounds collected or number of pounds recycled per type material?

**Action Items to Consider:**

1. Identify stakeholders and the role they can play
2. Contact your Local Waste Reduction Coordinator
3. Collect information about recycling, composting, and other waste management programs in your area
4. Establish a Green Event Committee
5. Appoint Project Coordinator(s)
6. Identify your greening goals
7. Identify potential waste materials
8. Identify disposal options and alternatives
9. Design a waste separation system for the event
10. Choose suitable collection containers for garbage, recyclables, and organics
11. Communicate with vendors and service providers
12. Publicize your plans through local and regional media
13. Monitor waste stations and collection during the event
14. Evaluate your achievements
15. Acknowledge support of all stakeholders and organizers
16. Promote your successes.
17. Develop a budget.

POLICIES AND PROCEDURES

RESERVATION POLICIES

The Office of Special Events accepts reservations for Krutch Park Extension and Market Square. To reserve these locations for your event, complete a Special Event Form and send it to the Office of Special Events at least 45 days prior to the proposed event. Additional requirements for your event are listed on pages 3 and page 4. All forms are available in the Index; at the Office of Special Events, 400 Main St. Room 578, or on our web site: www.cityofknoxville.org

It is the event producer’s responsibility to make sure all aspects of the event are monitored, from publicity and port-a-lets to permits covering alcohol, parades, tents, street closures and all security needs. **Insurance is required** for all events held on the City of Knoxville property, (please see Insurance Requirement above). Remember, submitting forms early ensures a better event.

EVENT REGULATIONS AND RULES FOR USE OF MARKET SQUARE

1. Parking for downtown events is available in the Market Square Garage, Locust St. Garage and State Street Garage at $1.00 per hour. Parking is FREE if you enter garage after 6:00 p.m. on weekdays and FREE on weekends. The exception to free parking includes University of Tennessee home football game days.

2. Except as stated herein, vehicles are NOT allowed on Market Square or Krutch Park Extension with the exception of loading and unloading of equipment. NO vehicle is permitted to be parked on Market Square or Krutch Park Extension for any other purpose, except that the Office of Special Events, in its discretion, may allow the sale of items directly from trucks on Market Square during the Farmer’s Market. The event coordinator will be responsible for removal of vehicles from Market Square after event has ended. No vehicle is allowed to park on the square or drive on the grassy areas.

3. Tents and other temporary shelters are not allowed in Krutch Park, and tents and other temporary shelters or structures, including but not limited to tables and free-standing umbrellas, are allowed on Market Square and Krutch Park Extension only in conjunction with events formally approved by the Office of Special Events, and each tent or other temporary shelter or structure must be specifically approved by the Office of Special Events. Depending on size, tents and other portable shelters or structures may require approval by the Knoxville Fire Department. Tents on Market Square cannot be staked or placed on the grassy square. All authorized tents in Market Square and Krutch Park Extension must be freestanding and anchored with weighted supports, and may not be attached to any fixtures or structures. Authorized tents must be erected and removed on the day of your event.

4. Attachments to trees or landscaping are prohibited.

5. Sunday events on Market Square and Krutch Park Extension can begin after 1:00 p.m. and must end by 8:00 p.m., with amplified sound only by express permission of the Office of Special Events.
6. No individual or organization may reserve and close off the entirety of Market Square and/or Krutch Park Extension for more than four events in a calendar year.

7. No individual or organization may close a road for an event for more than four events in a calendar year.

8. There shall be no amplified sound allowed on Market Square except for events formally approved by the Office of Special Events. There shall be no amplified sound allowed within the perimeter of any event formally approved by the Office of Special Events, at any location, unless it is specifically authorized by the event sponsor. For events using amplified sound, there shall be a one hour break after four hours of amplified sound, and a thirty minute break between acts. Amplified sound must be cut off at 10:00 p.m. Any amplified sound continuing beyond the authorized time will be subject to strict application of the City of Knoxville’s noise ordinance.

9. Depending on the volume of sound emanating from events, special noise permits may be required, which permits are only valid on Friday, Saturday or nationally recognized holidays, and shall be effective only between the hours of 7:00 am and 10:00 pm. Special noise permits shall be limited to a single day, and no more than two permits shall be issued to any premises in any twelve-month period. It is recommended that you notify businesses and residents in the requested permit area.

10. As a general rule, equipment should not be placed on a city sidewalk, but if it is absolutely necessary to do so, the equipment shall not impede the pedestrian right-of-way.

11. Banners can be hung from the front of the stage or on poles, which can be arranged through the Office of Special Events, for a fee. Banner space and all final banner designs must be approved by the Office of Special Events. Banners must be hung by the City of Knoxville. Please refer to the Banner Request Form.

12. For events attended by over 100 people, the provision of port-a-lets (temporary toilets) are required. The number of port-a-lets required should be in proportion to the number of projected attendees. Provided port-a-lets must include an adequate number of ADA-accessible port-a-lets. The location of Port-a-lets at an event within the CBID must be approved by the Office of Special Events.

13. A Special Events Form is required by the Office of Special Events at least 45 days prior to the event.

14. Food vendors are required to place fire retardant tarps/covers on the sidewalk/lawn as well as absorbent pig matting under cooking equipment to protect the surface below. Both the vendor and the event organizers will be held responsible for any damage to City property. The Office of Special Events will provide pig matting at $3.00 per linear foot, upon request. Vendors who are cooking on site must provide a working fire extinguisher (if cooking with grease, a K Class fire extinguisher is required).

15. It is a violation of City Code to put anything down the storm drains other than storm water. Do not pour hot liquids, ice or grease on the lawns. Please dispose of grease, chlorinated water and other types of liquids properly. They must be removed from the site. If any grease is left behind at an event, the event coordinator will responsible for the expense of cleanup.
16. **Fire Lanes SHALL NOT be blocked. There must be a 15 foot clearance for emergency vehicles.** For events on or near Market Square, please refer to Market Square map located in the Index. Any vehicle or equipment blocking a Fire Lane must be moved and is subject to towing. All sidewalks must remain open for public access.

17. For an event that requires a road closure, the event coordinator must secure a Temporary Traffic Control Permit through the City of Knoxville Engineering Department (865-215-6109), which may charge an additional fee for preparation of a traffic control plan. The Office of Special Events must be given notice of the application for a Temporary Traffic Control Permit. Every city road closure requires a uniformed Knoxville Police Officer on site, at a cost of $25.00/hour with a 4 hour minimum.

18. For events where exclusive use of the public space has been approved by the Office of Special Events, busking and other public performance or entertainment, charitable, non-charitable and any other type of solicitation and any other commercial or non-commercial activity within the perimeter of the event is allowed only with the permission of the event coordinator.

19. Tables and benches on Market Square are for the use of the general public, and except for events where exclusive use of the public space has been approved by the Office of Special Events, may not be reserved, appropriated for or incorporated into any booth, exhibit, demonstration or show, including busking.

20. Pursuant to Appendix B, Article V, section 10(E)(4) of the Knoxville City Code, advertising signs, as defined therein, are prohibited on Market Square. Temporary signs associated with and in immediate proximity to vendors may be used during and within the boundaries of an event approved by the Office of Special Events, as such signs do not constitute “advertising signs” under Appendix B, Article II of the Knoxville City Code.

21. Vendors should come prepared with equipment (dollies, etc.) to assist with unloading and loading of equipment, hoses and extension cords. Special Events Staff does not have any extra to loan. Extension cords must be at least a #12 gauge and should be at least 100 feet long to avoid daisy-chaining cords. Vendors or event participants with electrical needs of 20 amps or more are required to bring tails.

22. The Fire Marshall and Health Department may be onsite at the event, and if asked vendors are required to allow inspection of booths.

23. Tents, inflatable games, etc., when allowed, must be freestanding and anchored with weighted supports, and may not be attached to any fixtures or structures. Inflatables are not allowed on any grassy area.

24. No open flame devices are permitted underneath any tent or canopy.

25. All L-P/CO2 tanks must be secured.

26. Open flames or open-flame devices used in conjunction with any public or theatrical performance are allowed only with and within the terms of a permit issued by the Knoxville Fire Department.
PARADE AND ROAD RACE RULES AND REGULATIONS

Parades
A Parade Request Form along with a written detailed route of the proposed parade must be submitted to and approved by the Office of Special Events for all parades utilizing city streets or sidewalks. The parade route must be approved by the Chief of Police. The event coordinator will be responsible for meeting any applicable insurance requirements.

- **Time:** Units are not allowed to stop more than 30 seconds along the parade route to perform.
- **Horses:** Must be diapered and must be accompanied by a pooper-scooper/manure attendant at all times. There are absolutely no exceptions. Proof of negative Coggins Test must be provided.
- **Dogs:** Must be effectively restrained by chain or leash not exceeding eight (8) feet in length. Person having custody of a dog shall have the responsibility for cleaning and disposing of waste in a sanitary manner. Proof of rabies vaccination must be provided upon request.
- The event coordinator will be responsible for the expense of cleanup of any remaining animal waste.
- **Throwing Objects:** To ensure the safety of people watching the parade from the city streets, the City of Knoxville does NOT allow objects to be thrown from the parade line.

Road Races and Walks
A Road Race Form along with a written detailed route of the road race, run or walk must be submitted to and approved by the Office of Special Events for all road races, runs or walks utilizing city streets or sidewalks. The application and proposed route shall be submitted no less than 45 days prior to the event. The route of the road race, run or walk must be approved by the Chief of Police. Event insurance is required in accordance with the guidelines set forth above, and the event coordinator will be responsible for meeting any applicable insurance requirements.

- Any walk or run that takes place in or crosses a city street will require uniformed Knoxville Police Officers to close the street. It is the event coordinator’s responsibility to hire officers at $25 per hour with a four hour minimum, and to notify the public of any street or sidewalk closures.
- The event coordinator is also responsible for securing the services of the Knoxville Fire Department’s EMS (see page 5).
- **Color Runs:** Any race, run or walk with color powder or cornstarch thrown on participants must submit a clean-up plan for prior approval. The event coordinator will be responsible for any additional clean-up expenses if the area is not sufficiently cleaned after the event.
ACCESSIBILITY ISSUES

The City of Knoxville is committed to ensuring that all residents and visitors can enjoy our special events and public spaces. For this reason, we make every attempt to provide equal access to people with disabilities, seniors and their companions and ask you to do the same. In order to achieve accessibility, we ask that you complete this checklist for each proposed event and attach it to the event permit prior to submission to the City of Knoxville.

People with disabilities sometimes need a reasonable accommodation in order to participate in an event. To obtain information or an accommodation regarding accessibility, a contact person capable of providing requested information and accommodations must be designated. Notice shall be provided to alert the public of the name of the person responsible for providing accommodations or information related to accessibility.

An example notice: “If information or accommodation is required due to a disability, please contact name/title at phone or email no less than ___ hours prior to event.”

ADVERTISING—Be sure to alert people with disabilities about the event. One easy way to do this is to include the international symbol for accessibility on event materials. Event advertisements (media releases, newspaper ads, flyers, online notices, etc.) provide current contact information for the person responsible for providing accommodations to people with disabilities.

ACCOMMODATIONS—Event organizers must provide appropriate accommodations to people with disabilities upon request. Examples include:

- Interpreters for the deaf
- Materials in alternative formats (large print, Braille, disk/flash drive, etc.)

PARKING—accessible parking is provided in all City parking garages and designated on public streets, unless prohibited by signage or a bagged meter. Any non-City, event-specific parking must be properly advertised and offer appropriate accessible parking.

TRANSPORTATION—if an event offers transportation to the general public, accessible transportation options should be available to people with disabilities, including those who use service animals, wheelchairs or scooters.

EVENT LAYOUT—Vendor booths, food/drink and information areas must take into account how a person with a disability might access goods and services.

- Event staff and volunteers should be aware of all accessible routes throughout event, to parking areas, restrooms and emergency personnel.
- Event staff, volunteers and emergency personnel should be aware of proper drop-off areas near event entrances for people with limited mobility.

PEDESTRIAN ROUTES—any route that is utilized by the “walking” public during an event is a pedestrian route

- All sidewalks, curb cuts or curb ramps must remain un-blocked by vehicles, trailers, displays, furniture, items for sale, etc. at all times except for limited periods of time when blocking is required for loading or unloading.
- If streets or sidewalks are closed for the event, an accessible route around the closure must be provided. Intersections where sidewalks are closed should offer signage alerting pedestrians to the need to “cross street now”.

EFFECTIVE June 1, 2014
A minimum of 36” clear path of travel must be provided throughout the event venue and entrance points must be accessible. (If any entrance is not accessible, information about the location of accessible entrance points shall be provided upon request and at all inaccessible entrances.)

Obstacles along the route that are between 27” and 80” off the ground shall not be wider than (i.e. “protrude more than”) 4 inches.

Power or other cords that lie on the ground across the walking surface in the public path of travel must be covered by appropriate material in order to provide access to people with mobility impairments and help prevent tripping hazards.

SPECTATOR AREAS—events that provide entertainment of any sort (including but not limited to musicians, dramatic presentation, public speaking, street performing and parades) must offer an area where people with disabilities are able to enjoy the entertainment to the highest degree possible.

Designated accessible seating areas should be provided along parade routes that allow seated patrons the ability to see the majority of the parade participants without standing patrons impeding their line of sight.

Areas where there is designated audience seating should provide an area that does not allow standing patrons in front of the seats, so that seated spectators may see the performance more clearly.

Pulsing or “strobe” lights are discouraged, due to their propensity to trigger a seizure in persons who have a seizure disorder.

SERVICE ANIMALS—are allowed to go anywhere the general public may go.

A service animal relief area should be provided in addition to directions to the area, to be provided upon request.

REST ROOMS—at locations where port-o-lets are stationed, there must be at least one accessible port-o-let in each “grouping”. Pedestrian clearance around or past port-o-lets must be no less than 36” wide.

To obtain further information about how to make your event accessible, contact the Disability Services Office at (865) 215-2034 (voice) or (865) 215-4581 (TTY).

**Henley Street Bridge Banners:** To be determined.

SEE CITY OF KNOXVILLE BANNER POLICY FOR FULL DETAILS
The purpose of the City of Knoxville Banner Policy is to allow the placement of banners on select street poles owned by the City of Knoxville (the “City”)\(^1\). The purpose of the banner program is to add vibrancy and color to the City’s streetscape while promoting special events, community identity, and other cultural or recreational activities of benefit to the City. Banners are not to be used for commercial advertising, display of personal messages, promotion of a commercial or profit enterprise, or to advertise or promote political candidates, parties or issues, as the City does not wish to create a public forum for the expression of ideas or opinions and wishes to avoid the controversies and disruptions that such could cause. The City reserves the right to determine whether a banner is eligible for placement on a City street pole under this Policy.

**Eligible Participants**

The City will accept applications for a permit to display street banners only from non-profit organizations, community organizations, city and county government, the state of Tennessee, or from other governmental entities. Banners may be obtained only for: (1) special events, cultural activities, or recreational activities for which a permit is required and has been obtained from the City of Knoxville Office of Special Events; (2) special events, cultural activities or recreational activities sponsored by a governmental entity; (3) to identify a neighborhood or community; or (4) to identify cultural or recreational attractions located on public property. The City of Knoxville may pre-empt use of the poles for a City banner at any time.

Banners are not to be used for commercial advertising, display of personal messages, promotion of a commercial or profit enterprise, or to advertise or promote political candidates, parties or issues. Advertising of a specific product shall not be placed on banners. However, the name or logo of a business or corporation sponsoring the event may be included on a banner provided that such name or logo is no larger than ¼ of the total banner size and provided that the term “Presented by” or “Sponsored by” is included with the sponsor name or logo. No phone numbers will be allowed on any banner. Website addresses providing information about a special event may be allowed if such website address is no larger than ¼ of the total banner size. No other e-mail addresses shall be allowed. All banner designs should be artistic in nature, graphically or symbolically representing the subject/purpose of the event. Banners can include text for dates, activities, logos, and/or title of the event.

**Application and Approval Process**

The application for a banner permit must be submitted to the Office of Special Events at least thirty (30) days prior to the proposed date for installation of the banner(s). A $50.00 non-refundable application processing fee is due at the time of the application. The required fee must be paid before the banner will be installed by the City.

As part of the application, the applicant shall provide information about the banner(s) proposed to be placed on City property, including the type of event or activity to be promoted, size, location, total number of street poles proposed to be used, graphic design, and sponsor identification.

Before installation, the City of Knoxville Office of Special Events shall review and approve banner text, design, materials and colors. Following a preliminary review of the application, the Office of Special Events shall notify the applicant if there are any required revisions to the banner design, or scheduling or location conflicts. The banner request information will then be distributed to relevant departments for review and comment. A banner permit will be issued once the banner design and its placement has been approved.

---

\(^1\) The City of Knoxville Code of Ordinances, Appendix B, Article V, Section 10(A)(14) provides that “No sign shall be placed in any public right-of-way except publicly owned signs, directional signs, and those signs approved by the city engineer.”
An application shall not be accepted more than one year in advance. Reservations begin at the start of the calendar year on a first-come-first-served basis.

### Installation and Removal

Street banners must be installed and removed by the City. An installation and removal fee of $25.00 per crewmember per hour is required to be paid in advance.

### Street Banner and Hardware Standards

Street banners must be constructed of a material that can withstand the normal and reasonably expected forces of nature for the period of time they are displayed. Street banners must meet the dimensional standards necessary to fit any existing banner brackets located on street poles. For street poles not containing existing brackets, banners must not exceed an overall length of ninety-six inches (96”) and a width of thirty inches (30”). Any hardware installed on street poles to hold banners must be approved in advance by the City Traffic Engineer or designee. All street banners and hardware shall be installed such that the top of the street banner is at least eighteen feet (18’) above the ground. If a street banner hangs over the traffic way, the top of the banner must be at least twenty-two feet (22’) above the ground.

### Duration of Display

Street banners may be permitted to remain in place for the following time periods:

- **Street banners promoting a special event or other cultural or recreational activities:** Permitted to be in place for a period of at least seven (7) days but not more than thirty (30) days.

- **Street banners promoting community or neighborhood identity:** permitted to be in place for a period of up to one (1) year, unless extended for an additional time period upon prior written approval of the City, subject to durability of banner materials. The City may require that such street banners be removed if torn, damaged, faded or otherwise not maintained in compliance with this policy.

- **Street banners identifying cultural or recreational attractions located on public property:** permitted to be in place for a period of up to one (1) year, or for the term of any applicable lease to use the public property where attraction is located. The City may require that such street banners be removed if torn, damaged, faded or otherwise not maintained in compliance with this policy.

The City may consider extensions of the time periods set forth above if no other eligible applicants have requested the use of the street poles.

### Insurance

The applicant shall maintain occurrence version commercial general insurance with companies acceptable to the City of Knoxville for injuries to persons or damages to property which may arise from or in connection with the use of City property with a limit of not less than $1,000,000.00 each occurrence for bodily injury, personal injury, and property damage. This insurance shall contain or be endorsed to contain a provision that includes the City, its officials, officers, and employees as insured with respect to the use of City property. The coverage shall contain no special limitations on the scope of its protection afforded to the above listed insured. For any claims related to the use of City property by the applicant, the organization’s insurance coverage shall be primary insurance as respects the City, its officers, officials, and employees. Any insurance or self-insurance programs covering the City, its officials, officers, and employees shall be in excess of the organization’s insurance and shall not contribute with it. Prior to the event, evidence of the above insurance shall be provided to
the City on a standard ACORD form 25-S, providing not less than 30 days’ notice of cancellation or material alteration.

**Banner Specifications and Procedures**

- All banners must be two-sided, with text and/or graphics appearing on both sides.

- Unauthorized banners will be removed immediately upon notice by the Office of Special Events, and the costs of removal shall be charged to the banner owner, or other party installing or causing the installation of such unauthorized banner(s).

- Applicant will be charged for any and all damage incurred as a result of making attachments to City property. The City will not be responsible for any damage to applicant’s attachments or banners as a result of maintenance operations or for damage resulting from any other cause.

- Banners that are torn, damaged, or faded shall be removed immediately following the notification to the applicant by the City of such a condition. The owners of the banners will be notified as soon as practical following any removal by the City.

- The City of Knoxville will not be responsible for any damages sustained to the banner(s) due to acts of nature or any other cause.
