

**APPLICATION FOR INSTALLATION OR REMOVAL OF  
FLAMMABLE/COMBUSTIBLE  
LIQUID ABOVEGROUND AND UNDERGROUND STORAGE TANKS**

**PERMITTING A NEW ABOVEGROUND / UNDERGROUND STORAGE TANK:**

1. See [\*\*Aboveground Storage Tank \(A.S.T.\) Installation Requirements.\*\*](#)
2. Contact the City of Knoxville Fire Prevention Bureau for instructions to submit site plan.
3. Submit [\*\*APPLICATION FOR INSTALLATION / REMOVAL OF FLAMMABLE/COMBUSTIBLE LIQUID STORAGE TANK,\*\*](#) site plan, and applicable fees.
4. Aboveground storage tank permits are valid for one year.
5. Application will be voided if installation is not completed within ninety days of application date and a new application must be submitted.

**ANNUAL INSPECTION / RENEWAL OF A.S.T. PERMIT**

All aboveground storage tanks, with capacities over sixty gallons, are required to be inspected annually as per Chapter 11, Article I of the Knoxville City Code. The company will receive a bill for the annual inspection fee for each tank on the premises. Upon receipt of the applicable inspection fees the Fire Code Inspector will contact the company, schedule the annual inspection, and present the new annual permit.

Any addition, substitution, or removal of an aboveground storage tank should be reported to the Fire Prevention Bureau immediately.

**FEES:**
