

## East Tennessee Solar Tour and Fair

October 1<sup>st</sup> - 2<sup>nd</sup>, 2010

*Fair Open from 5:00 PM – 8:00 PM, October 1*

*Tour Sites open from 10:00 AM – 4:00 PM, October 2*

Spend the first weekend in October seeing Solar energy in action! Kick-off First Friday, October 1<sup>st</sup>, in Krutch Park Extension by visiting the East Tennessee Solar Fair. You can talk one-on-one with local solar industry experts and companies and pick up a booklet and map containing all of the sites on the Solar Tour the following day.

On Saturday, October 2, start the day with a free educational workshop about solar energy at Ijams Nature Center. Following the workshop throughout the day, local homes and businesses that have already "gone solar" will be open for visitors on the self-guided "Solar Tour" to learn more about installed solar energy systems.

These events are held as part of the American Solar Energy Society's National Solar Tour and is sponsored by the City of Knoxville's Solar America Cities Program, Southern Alliance for Clean Energy and local solar industry companies and organizations.
