1. SCOPE AND CLASSIFICATION

1.1. Scope

This specification describes a 1 Ton Crew Cab 4X4 Truck, single rear wheel, similar to a Ford F-350 with a truck topper, similar to a Leer 100XQ. The chassis including all necessary equipment shall be furnished and delivered new, complete and ready for use. All parts not specifically mentioned but which are necessary for the complete unit shall be supplied and installed by the vendor even though such work or material are not specifically outlined and shall conform in strength, quality of material and workmanship to the best practice known to the Automotive Industry.

1.2. Classification

Truck: One Ton, Crew Cab

1.3. Bid Responses

The bidder shall respond to each item listed in this specification in the space provided, indicating whether they meet or do not meet specification, and describe/clarify the proposed item or any deviation to the item. These pages are to be included in the Bid Response. **Bidder will be considered non-compliant if response is not on these specifications.**

1.4 Evaluation of Bids

Bids will be evaluated on whether or not they meet the specifications stated in the Invitation To Bid and (if so) then the cost to the City of Knoxville will be the deciding factor. In addition to the grand total cost of the procurement, the City may consider the following factors as part of the cost evaluation as these affect the cost of the vehicle/equipment in the out-years:

- Whether or not the City will be warranty certified for this equipment/vehicle.
- Best warranty. Consists of scope and duration of warranty.
- Distance to nearest warranty provider.
- Delivery time.
- Whether or not the vehicle/equipment has a "flex fuel" option.

1.5 Price Lock

Please state if a 12-month price lock would be honored to allow City of Knoxville to possibly purchase additional equipment.

2. APPLICABLE STANDARDS

2.1. Federal

Applicable Federal Motor Vehicle Safety Standards in effect at time of manufacture.

2.2. State

Applicable State of Tennessee Standards in effect at time of manufacture.

13. Before a contract will be signed by the City, the submitting entity, if selected, must provide the City Purchasing Office with a copy of its valid business license or with an affidavit explaining why it is exempt from the business licensure requirements of the city or county in which it is headquartered. If a contract is signed, the contractor's business license shall be kept current throughout the duration of the contract, and the contractor shall inform the City of changes in its business name or location.

INDEMNIFICATION CLAUSE

Contractor shall defend, indemnify and hold harmless the City, its officers, employees and agents from any and all liabilities which may accrue against the City, its officers, employees and agents or any third party for any and all lawsuits, claims, demands, losses or damages alleged to have arisen from an act or omission of Contractor in performance of this Agreement or from Contractor's failure to perform this Agreement using ordinary care and skill, except where such injury, damage, or loss was caused by the sole negligence of the City, its agents or employees.

Contractor shall save, indemnify and hold the City harmless from the cost of the defense of any claim, demand, suit or cause of action made or brought against the City alleging liability referenced above, including, but not limited to, costs, fees, attorney fees, and other expenses of any kind whatsoever arising in connection with the defense of the City; and Contractor shall assume and take over the defense of the City in any such claim, demand, suit, or cause of action upon written notice and demand for same by the City. Contractor will have the right to defend the City with counsel of its choice that is satisfactory to the City, and the City will provide reasonable cooperation in the defense as Contractor may request. Contractor will not consent to the entry of any judgment or enter into any settlement with respect to an indemnified claim without the prior written consent of the City, such consent not to be unreasonably withheld or delayed. The City shall have the right to participate in the defense against the indemnified claims with counsel of its choice at its own expense.

Contractor shall save, indemnify and hold City harmless and pay judgments that shall be rendered in any such actions, suits, claims or demands against City alleging liability referenced above.

The indemnification and hold harmless provisions of this Agreement shall survive termination of the Agreement.
