### History

This event will mark the fourth year that the University of Tennessee Baseball and Softball teams have worked with the City of Knoxville to provide the teaching of some basic skills to encourage the youth of the City of Knoxville to participate in our baseball and softball programs. For many of these kids the opportunity provides their first exposure to these great games. We want to thank all the UT coaches and players for their help in making this event a success. We also want to get a shout out to Phil Hatcher, Jr. and his crew that take such great care of Caswell Park!!!
