

Waterfront Drive Roadway Improvements Project

Project Description: The City of Knoxville has allocated capital funds to develop the roadway connections between Langford and Waterfront Drives near Suttree Landing Park with the intent to provide for the construction of roadways, drainage systems, curb lines, sidewalks and certain public utilities. The City has previously engaged Fulghum MacIndoe & Associates to provide construction plans and specifications for the construction of these improvements.

The City issued this Invitation to Bid for the construction of the connections for Empire and Dixie Streets between Langford and Waterfront Drives. The remaining connections for Claude, and Barber Streets will be undertaken as funding becomes available to complete this roadway set.
